Ivan Marovic, a leading strategist in the revolution to overthrow Milosevic in Serbia, is coming to Liberty Plaza on Thursday! After suggesting the idea to them, I just got this from the Yes Men:

But now, **SOME VERY GOOD NEWS**: after Ivan's talk this Thursday, we'll take the N,R train a few stops down to Liberty Plaza and occupy Wall Street! There, around 8:30 or 9pm, Ivan will continue his talk for our very own here-and-now revolutionaries, doing some of the same things Ivan and his thousands of friends have done to topple dictators from Milosevic to Mubarak!
