I have been asked to go speak at the rotary club tomorrow at noon. I was asked to talk about the election process

Matthew McC

Tony had mentioned us discussing any conversations about elections with him first, we have another new lawsuit and the possibility of another after that. So would prefer we check with him on any speaking engagements, interviews, etc.

Oh, I did not know he had said that. I will ask him. Sorry

I mentioned me speaking to ms Ernestine Tuesday when she signed the timesheets and she said ok.

But I will do what ever y'all as a board want me to do. Lol

Matthew McC

I think it's a good idea to check with him

I have not received anything about another lawsuit at the office

This is what I was going to discuss  
I think I will start with the process of an election,  
\*Where we get the program  
\*How we decided how many machines  
\*How L&A is handled  
\*Absentee Ballots  
\*then advance voting  
\*Election Day  
\*then Election night and the election night process

Matthew McC

I believe they sent it directly to Tony or possibly even verbally notified him. I'm not saying don't go, I'm just saying clear speaking engagements or interviews with him. But 4 other board members can certainly weigh in if I'm being too cautious

Ernestine Thomas-Clark

Now that I'm fully aware of the lawsuits, yes, you need to consult Tony before making a commitment.

With all that's going on I think you need to lay low.

I will tell Robert.
